PROFILE

Detail-oriented software engineer specializing in creating visually stunning and intuitive user interfaces, pushing boundaries in web development.

EDUCATION

Bachelor of Technology - Computer Science and Technology with specialization in Software Engineering, SRM INSTITUTE OF SCIENCE AND TECHNOLOGY Sep 2021 – Jun 2025
Chennai, India
GPA: 8.4

EXPERIENCE

Creative Designer, Coding Ninjas SRM Sep 2023 – Feb 2024
Chennai, India

- Created wireframes, prototypes, and mockups to visualize design concepts and iterate on design solutions.
- Implemented best practices in UI/UX design to optimize usability and accessibility for event attendees.

Creative Designer, Gen-y Apr 2023 – Feb 2024
Chennai, India

- Created visually appealing posters, certificates, and event posts to promote club activities and engage members.
- Conceptualized and designed marketing materials that effectively communicated the club's mission and values.
- Improved the UI/UX of internal club projects, such as a campus food booking app, by conducting user research, creating wireframes, and implementing design enhancements.

PROJECTS

plantDEX, App-Based Solution to identify and solve disease in plants/crops. Sep 2023 – Sep 2023
React Native · Jupyter Notebook · Firebase · Cloud Firestore · JavaScript

- Leveraged React Native to create a user-friendly and responsive mobile app interface, ensuring seamless navigation and engaging user experiences.
- Utilized JavaScript for both front-end and back-end tasks, optimizing app performance and functionality.
- Addressed technical challenges related to AI model integration and app functionality to provide users with a reliable disease identification tool.

E-Commerce, General e-commerce website to sell goods and services online. Sep 2023 – Feb 2024
React.js · Next.js · Tailwind · Typescript · Stripe · MySQL · Prisma

- Engineered a highly responsive platform leveraging Tailwind CSS for seamless user interface design.
- Implemented secure user authentication utilizing JWT for enhanced data protection and user access control.
- Employed Prisma ORM for efficient management and storage of product data within the application.
- Integrated comprehensive order processing and checkout functionalities to streamline customer transactions.
- Developed an intuitive Admin Dashboard enabling CRUD operations and efficient backend management capabilities.

Portfolio, Personal website highlighting my skills, values and work. Jan 2024 – Mar 2024
Typescript · Next.js · HTML · CSS · JavaScript · Next.js · Framer Motion

- Created a professional portfolio website using Typescript, HTML, CSS, and JavaScript.
- Implemented smooth animations and transitions with Framer Motion library for enhanced user experience.
- Integrated Next.js for efficient routing and improved performance.
- Designed a responsive and visually appealing interface to showcase projects, skills, and experience.

SKILLS

Figma UI Design, Prototyping, Wireframing	Languages/Frameworks JavaScript, React Native, React.js, Next.js, TypeScript, C++, C, Python, HTML/CSS, Tailwind, Prisma, MySQL
